Cmaj7
As he broke and gave the bread
F Bmaj7
Hardly believing what we saw
Esus E Am
Jesus you're risen from the dead

Tongues section

F G Am

Verse 2

I shuffled slowly to the tomb
At break of day and all alone
And to add insult to my pain
The tomb was empty, body gone
I saw a figure in the gloom
"Where have they taken him?" I said
He called my name and then I knew
Jesus You're risen from the dead

Verse 3

We took a boat out on the lake
There didn't seem to be much choice
The same old story nothing caught
Then from the sand we heard voice
We didn't know just who he was
But there were memories in our head
A massive catch, and then we knew

Jesus you're risen from the dead

Adonai, Rabbi, Yeshua

Verse 2

You took me from the pit and placed me on a throne
This orphan lost you then adopted as your own
You died the death of shame that should have
been my fate
How can I contemplate your love

You made me special guest of honour at your feast
You put me first in line when I should be the least
You took my emptiness and Lord you fill my hand
How can I understand your love

You took my guilty stains and washed them white as snow
You took the dried up stream and made the waters flow
You took the darkness and your light shone in my eyes
How can I realise your love

Such love for me, such love for me sets me free

Come and see the man who came from Nazareth

The promised one we've all been waiting for

Come and judge yourself and see him at first hand

Precious Lamb of God and Christ our Lord

Na na na na...

Come and see the nail prints in my hands and feet

Place your hands into my open side

Bring me bread and wine that I may eat and drink

Risen now who once was crucified
